

Community Bible Study (since 1975) is a non-profit, ecumenical, inter-denominational organization with hundreds of classes across America and many other countries.

Our Mission:

"To make disciples of our Lord Jesus Christ in our communities through caring, in-depth Bible study available to all."

**Thursday mornings - September 17, 2009 through May 20, 2010
9:15 a.m. to 11:15 a.m. at St. Stephen's Church, Sewickley; Grace Commons**

"In the beginning".... there was the Old Testament Book of Genesis. This first book of the Bible takes us back to the very beginning of life on earth. In our study of Genesis, we'll examine some colorful branches of Jesus' (and the world's) family tree, learn from Old Testament figures who heard and heeded God's call, and explore how we can apply the timeless lessons of this ancient book to our lives today.

This is a comfortable class for all levels – from knowledgeable Bible students to first-time Bible students. We currently have class members from many different churches throughout our community. All are welcome!

CBS includes music, inspirational presentations, small group discussion, take home lessons with commentaries and a teaching lecture each week. Children meet in age-appropriate classes with trained teachers and are taught Bible curriculum, along with music, crafts, memory verses, and more.
